European Women's Championship Results

Posted 15:00:00 Tuesday, August 14th, 2007

File under [Female Racing](#)

Author: [Mike Werner](#) | Location: [Travelling](#)

The [European Motorcycling Union \(EUM\)](#) have organized this year's European Female Motorcycle Racing Championships, a track race meant only for women. This is the 3rd year that the championship is being held, and every year it's becoming increasingly more popular.

Several teams have taken part, and the last race was held this weekend in Oschersleben, Germany.

With 40,000 spectators, the Dutch girl [Iris Ten Katen](#) became European Champion in the Superstock 600 category, while German [Nina Prinz](#) became Superstock 1000 Champion.
